Go through the main entrance and follow the corridor round to the left and go past a small reception desk.

Then follow the corridor round to the large waiting area.

Where to find us in Chorley

Please take a seat and your therapist will call you for your appointment as soon as they are available. Please be patient if there is a slight delay to your appointment time, this will not have any effect on your therapy.

There is free parking on site for clients. However, spaces are limited so please allow yourself enough time prior to your appointment to account for this.
