

Acorn PHCC

Client Information

Please wear a mask/face covering before entering the building.

From Main entrance on Blackburn Rd take the lift to the 2nd floor, turn right as you leave the lift and wait at the double doors. Do not enter the Sexual Health Suite even if the doors are open.

Please ring the bell in the plastic wallet on the shelf and take a seat .

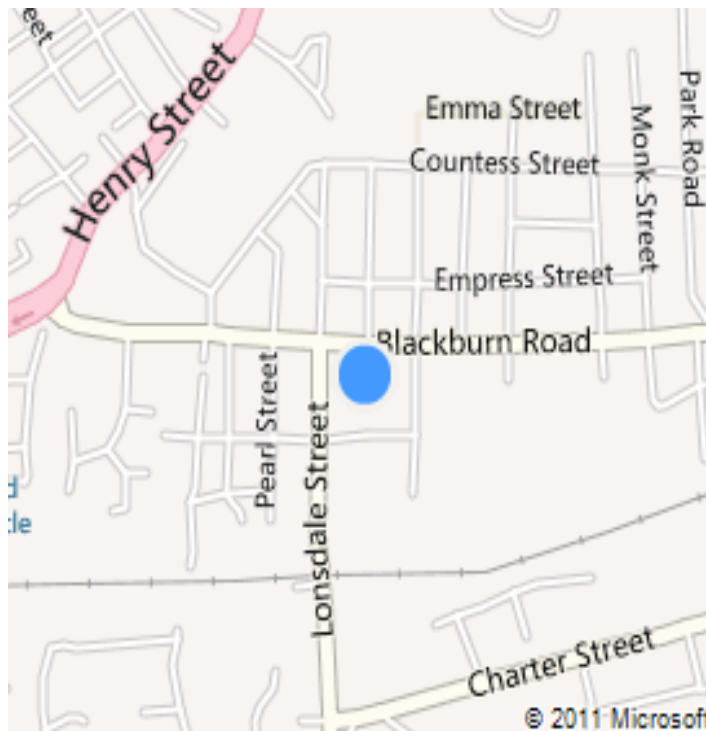

Your therapist will come and collect you as soon as they are available and complete your health check and record your temperature before going into the Sexual Health Suite.

Please be patient if there is a slight delay to your appointment time, this will not have any effect on your therapy.

Alternatively should you wish to use the car park (which is located at the rear) you will enter the health centre on the 1st floor. Walk through the reception area and take the lift (which is signposted 'way out to Blackburn Rd') to the 2nd floor then follow the directions above.
