

## Client Information

Please wear a mask/face covering before entering the building

Go through the main entrance .  
Arrive at the Community reception on the right and state you have an appointment with LAURA

You will be collected as soon as your therapist is available. A health check will be completed and your temperature recorded before entry to your appointment.

Please be patient if there is a slight delay to your appointment time, this will not have any effect on your therapy time.

### Car Parking -

Free parking is located on site at the back of the building and additional free spaces at the front of the health centre outside the row of shops
