

St Peter's Centre

Please allow extra time for parking and access to the suite due to limited lift space at St Peters.

Please wear a mask/face covering before entering the building.

From Main entrance go through the (automated doors) take the escalator directly to the 1st floor, walk past the reception and on the right hand side is a green wall. Go through the door and take the lift to the 4th floor.

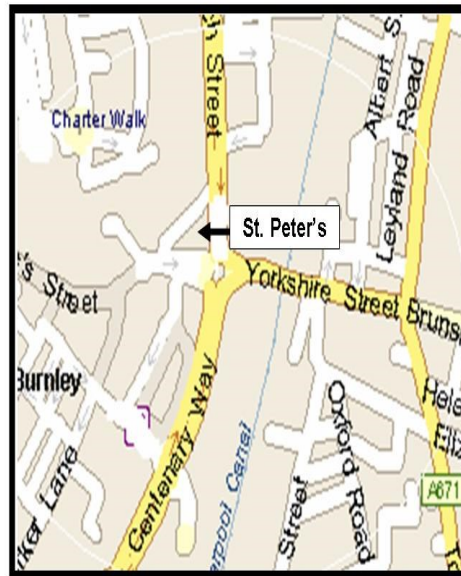

Turn right out of the lift, go through the doors and wait in the waiting room.

Your therapist will come and collect you as soon as they are available and complete your health check and record your temperature before going into the Sexual Health Suite.

Please be patient if there is a slight delay to your appointment time, this will not have any effect on your therapy.
